There are obvious markers that the holidays are on their way; the kids go back to school, the weather gets cooler, and of course the holiday sales start. However, at Lodi Station Outlets, it's pumpkins and train rides that signal the start of the holiday season.

Every year beginning the first weekend of October, [Lodi Station Outlets](#) kicks off its holiday season with the Pumpkin Patch Express. The trains at Lodi Station Outlets are unique to this 60 plus store outlet shopping center and a main attraction. Continuing with the unique excursions the train rides offer throughout the year, the Pumpkin Patch Express is one of families' most loved events at Lodi Station Outlets.

During the Pumpkin Patch Express, passengers purchase a special pumpkin patch express ticket at the Guest Services desk and board the train at Grand Central Station. Passengers are treated to a two-mile train ride that passes throughout the shopping aisles of Lodi Station Outlets on their way to their destination of the Pumpkin Patch.

Upon arrival at the Pumpkin Patch, passengers who have purchased a Pumpkin Patch ticket roam the pumpkin patch in search of the perfect pumpkin. Kids love being able to choose their own pumpkin while parents enjoy the great memory making moments and countless photo opportunities in the pumpkin patch. Passengers then re-board the train with their pumpkins where they continue their train ride and arrive back at Grand Central Station.

Once October ends, families and kids look forward to returning to Lodi Station Outlets during the holiday season starting at the end of November and all of December to take a festive holiday lighted train ride and visit Santa and Mrs. Claus on the Santa Express!

Catch a train on Saturdays from noon to 6 p.m. and Sundays from noon to 5 p.m. in October only! Experience the Pumpkin Patch Express and choose a pumpkin to take home for just \$6 per ticket. Don't want a pumpkin? Enjoy the ride only for \$3.50. As always, children two years old and younger ride free! For those guests who just want a pumpkin, they may be purchased for just \$5.

Come out, catch a train, grab a pumpkin, and make some lasting fall memories at Lodi Station Outlets.
